Accurx

As of Tuesday 13th May we are moving over to Accurx so we will no longer be using eConsult. This will be exactly the same but just a different name no login so if it's an appointment needed or sick note prescription just use it the same way. Any issues feel free to contact the staff who are always happy to help.

Please give us any feed back on this so we can help improve if need to. It is on the Rose Villa web page

Managing health at work for employers

In the UK, **131 million working days are lost** to sickness absence every year.
Main reasons for sickness absence:

34.3 million days lost
Minor illnesses

28.2 million days lost
Musculoskeletal problems

14.3 million days lost
Stress, depression and anxiety

1 in 3 employees with a long-term health condition have **not discussed it** with their employer
